KINGSVILLE.

Your occasional correspondent will try again to send you a few items of news from our little town. Owing to the absence from our town of every- thing intoxicating for some time past, no exciting events have occurred. The citizens and surrounding country have gotten down to hard work. The farm- ers and gardeners are delighted with the grand results of their labors and the merchants stand ready to relieve them of their surplus cash.

The social whirl has never stopped. Strawberry festivals have been follow- ed by peaches and cream and water- melons will soon be here.

As to politics, everything is quiet. It excites no interest whatever. What we need is some eloquent speakers to come among us and stir up the dry bones.

Before I forget it, I must not fail to inquire why it is that the authorities have neglected our pikes from here to Stanford? Great holes, and in some places, washed out clear to the bed- rock. Taxes are still levied and col- lected, yet there is a general complaint in regard to the condition of the road.

With the exception of a few cases of flux, the health of the community is excellent.

Chamberlain's Colic, Cholera and Diarrhoea Remedy.

This remedy is certain to be needed in almost every home before the summer is over. It can always be depended upon even in the most severe and dangerous cases. It is especially valuable for summer disorders in children. It is pleasant to take and never fails to give prompt relief. Why not buy it now? It may save life. For sale by all druggists.

Yale and Harvard were the victors in the international games held at the Queen's Club, West Kensington. They defeated Oxford and Cambridge in six out of nine events.

## CHOKING CATARRH CURED.

Your Money Back if Hyomei Does Not Cure You.

"Use Hyomei and be cured of catarrh," is what all who have tried it for that dis- ease say to their friends.

It is the easiest thing in the world to stop catarrh at its beginning if you use Hyomei. Just breathe the health giving balsamic air for a few minutes and your catarrh will be cured.

In this city and neighboring towns, there are hundreds who can testify to the remarkable powers of Hyomei to cure catarrh. Many of the staunchest friends of this remedy to-day began its use with little hope that they would be cured, but as Mr. Penny offered to refund the money if it did not cure, they decided to try it on that plan, and were soon restored to health.

## APPELLATE COURT CONVEN- TION.

The democrats of this part of the Fifth Appellate district should not forget that mass conventions of the party will be held at the county seats of the several counties comprising the district, on Tuesday, August 2, 1904, to appoint delegates to the district con- vention which will be held at Lexing- ton on Thursday, Aug. 4th, to nomi- nate a candidate for judge of the court of appeals. Remember the time—Tues- day, August 2nd, at 1 o'clock P. M. Place, court house.
